**AMENDMENT**

Sir:

This Amendment is responsive to the Office Action, dated 24 September 2001, for the  
above-identified patent application.

Please amend the above application as follows:

**In The Claims**

Please amend Claim 9 as follows (Clean copy):

9. A method for starting a process comprising the steps of:  
detecting insertion of a storage media into a peripheral;  
checking for a file of a predetermined name on said storage media, and  
starting up a process from said file of said predetermined name, said step for  
starting up containing a sequence of instructions to be executed to start up said  
process.
